KTPS ZONE

CHARTER OF DEMAND TO THE GM, KTPS ON THE DAY OF DEPUTATION ON 16.08.2017

To
The General Manager,
Kolaghat Thermal Power Station,
The West Bengal Power Development Corporation Limited,
P.O.- Mecheda,
Dist.- East Midnapore,
West Bengal- 721171.

Date: 16.08.2017

Dear Sir,

It has been discussed and communicated many times earlier for a reasonable positive action regarding many issues at KTPS. But unfortunately, it seems that following major issues are not resolved till now:-

1. Anomalies in imposition of Penal Rent for quarters.
2. Discrepancy towards allotment of quarters.
3. Seniority bypass during deployment of engineers.
4. Discrepancy in allotment of cars and misuse.
5. Violation of ORC constitution in regards to AGM, New committee formation & audit.
6. Discriminatory attitude towards release from KTPS against transfer orders.
7. Inordinate delay towards medical bill payment processing.
8. Non-commissioning of costly grabber machine at CHP.
9. Lack of attitude towards fulfilling of basic requirements at work place in respect of R&M department.
10. Improper deployment of engineers in different field.
11. Non identification & unplanned attitude towards financial deterioration of KTPS.
12. Inordinate delay in file movement at the highest level.
13. Women insecurities in KTPS T/S.

So with this deputation under section 22(1) in The Industrial Dispute Act 1947, we would like to appeal before you again to pay kind attention to the vital issues of engineers' and to take necessary corrective action. Your positive action will help us to maintain congenial atmosphere in our plant and township which we have been maintaining long since.

Hope for an immediate fruitful action from you.

With regards,

All the members of Engineers' Welfare Forum, KTPS.
